

# HELP OUR VETERANS

## BY DONATING YOUR CLOTHING AND HOUSEHOLD GOODS!

Our innovative pick-up service is convenient for donors, promotes recycling/re-use, and benefits our communities!

### Donating is EASY!

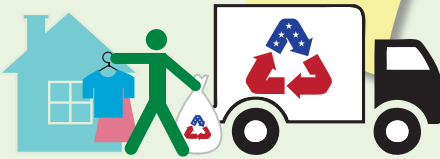

Call or go online to schedule a **free** pick-up

Gather your gently-used clothing and household goods

Our team will pick up your donation

### Our Social Business model...

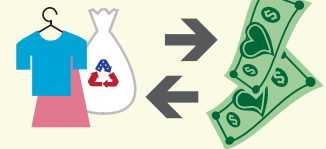

A social business has income and expenses like any other for-profit enterprise. However, proceeds from a social business directly fund charitable work.

Our program...

Collects donations of gently-used clothing and household goods...

Generates revenue by selling these items to reuse retailers...

Directs this revenue toward our organization's work for veterans

**77% of proceeds go to UWVC and its programs**

### BENEFITS

You clear the clutter in your house and get a tax deduction...

...and help us mobilize public support for veterans, provide services and referrals, and assist organizations that serve them.

PLUS, you help preserve the environment by promoting re-use and reducing waste...

...and help your community save on waste disposal costs and meet its sustainability goals!

United War Veterans Recycling benefits the **UNITED WAR VETERANS COUNCIL, INC.** a 501(c)(19) non-profit organization dedicated to honoring and serving veterans through Advocacy, Services and Sustainability
